FEE INFORMATION

FULL COURSE

\$150 fee covers everything for students who want to complete all training courses.

EPA TESTING

If you are already EPA certified and would like to re-test for a higher certification, you may for a fee of \$50.00.

R-410A COURSE

If you are already EPA certified and would just like to attend the R-410A training, you may for a fee of \$55.00 which covers your food, drinks and class materials.

This certification is required by law for technicians to purchase or repair air conditioning equipment.

EPA ORIENTATION

This class helps technicians understand and prepare for the test for the EPA's Section 608 of the Clean Air Act of 1990.

R-410A COURSE

This is a complete course on the characteristics, servicing and operations of Refrigerant R-410A. It will contain in-depth coverage of safety procedures, handling installation and replacement of R-22 systems with R-410A systems.

**Deadline for purchasing materials and registration is March 12th.
Materials available in Spanish.**
